Districts 8 & 9 will be cohosting the April 14-16, 2023 Area 15 Quarterly Assembly in Boca Raton. This will be our first planning meeting. Typically quarterlies start their planning 8-9 months in advance to ensure a well planned and smooth running quarterly assembly. It is important that members of the host districts stand to volunteer to help make this a successful event. There is quite of bit of work to host these events. Our first meeting will be to fill committee chair positions, discuss the beginning stages of what needs to be accomplished within each committee and our plans for future meetings. If you've served on a quarterly in the past or this is your first time, we need your help. If you are new to this, not to worry. There are many volunteers that have experience in putting on this event and are here to help you get familiar with your responsibilities. This is a fun and exciting way to be of service and will broaden your fellowship network and you will make new friends. Hope to see you at our first meeting. If you have any questions or wish to volunteer and can't make our first meeting, please feel free to reach out to me. Thank you!
